

ACCEL *Lectric* **STATORS**

1. Remove all foreign matter from the rotor magnets by cleaning the rotor in a petroleum based solvent. Inspect the rotor for cracked or loose magnets and replace rotor if necessary.
2. Install your new **ACCEL Lectric Stator** using the OE service manual that applies to your specific model.
3. Be sure that the regulator and the battery are in good working condition.
4. Replace your worn regulator with an **ACCEL** regulator with a lifetime replacement warranty (see product warranty card for details).

NOTE: If the rotor or stator is damaged, either can be replaced individually.

For maximum performance, quality and reliability, use ACCEL charging and ignition parts for Harley-Davidson motorcycles.

MANUFACTURER'S LIMITED LIFETIME WARRANTY

ACCEL as the manufacturer warrants solely to the original retail customer ("you") of this ACCEL Stator ("the Product") that the Product is free from defects in design, material and/or workmanship and will be replaced if it should ever fail to function under actual operation if the Product is correctly installed in a Motorcycle Charging System for as long as the original purchaser owns the vehicle on which the product was originally installed.

ACCEL as the supplier will exchange new Product for defective product (excluding labor costs or incidental expenses, but with no charges for the replacement Product) provided that you, the retail customer, (1) have the Product correctly installed on your motorcycle, (2) have your motorcycle charging system, including the Product inspected and serviced periodically in accordance with your vehicle manufacturer's recommendations to maintain your motorcycle charging system in good condition (this limited warranty DOES NOT APPLY to defects for failure caused by your failure to provide reasonable and necessary maintenance), (3) operate your vehicle only for normal use (this limited warranty DOES NOT APPLY to vehicles used for racing), (4) submit the product in question (freight prepaid) for replacement directly to: ACCEL Warranty Services, 175 N. Branford Rd., Branford, CT 04605. (Your remedy and ACCEL adjustment under this limited warranty will be in the form of Product inventory replacement only and NOT refund or case reimbursement, and ACCEL will NOT reimburse you for any service charges or labor costs for removing old Product and installing new Product). **IF YOU, THE RETAIL CUSTOMER, FAIL TO MEET EACH OF THESE FIVE CONDITIONS, THIS WARRANTY IS VOID** and ACCEL will have no obligation to you under it.

This Limited Warranty is **NOT** transferable or assignable by the original retail customer to any other person or to any other vehicle. This Limited Warranty program may be changed or discontinued by ACCEL at any time.

This Limited Warranty **DOES NOT APPLY** to damage or failure caused by vehicle accident, faulty installation, or improper maintenance. **NO OTHER WARRANTY IS GIVEN HEREBY. ACCEL DOES NOT** warrant or guarantee the workmanship of your service outlet or installer.

Further information concerning this Limited Warranty may be obtained by writing directly to ACCEL, 175 N. Branford Rd., Branford, CT 06405-2810, Attention: Motorcycle Product Manager.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
