MAINTENANCE

Wash with a clean soft cloth, plenty of warm water and, if necessary, a non-abrasive soap such as dishwashing liquid. Flannel or soft chamois make good cleaning cloths. Do not allow brake fluid, alcohol, or strong solvents to contact the screen.

National Cycle Windshield Wash Part number N1401 is a good everyday cleaner. Product is supplied with a handy travel size container and microfiber cloth for easy storage on the motorcycle. Inquire with your local dealer or visit: www.nationalcycle.com

RAINZIP® National Cycle offers their exclusive RainZip® rain repellent. Produced by National Cycle, RainZip is very effective on our Quantum™ hardcoated windshields. RainZip is hydrophobic. When water hits the surface of the screen it beads up, so at 40 mph the wind pushes the water off.

National Cycle hereby warrants to the original registered owner of a National Cycle polycarbonate windshield for a period of three years from the date of purchase against breakage. This limited warranty is expressly limited to the replacement of the polycarbonate windscreen. This limited warranty does not include scratches, coating failure, cosmetic wear and tear, replacement of hardware, or any consequential damages or expenses including labor cost of installation, removal and/or replacement, inconvenience, inbound freight expenses or damage to any other component of the motorcycle or any other accessories. Certain chemicals, generally known as acidic hydrocarbons, are known to cause polycarbonate damage and will not be covered under this limited warranty. Please refer to the cleaning instructions supplied with all National Cycle windshields.
